

Nature for the Family

Lake Johnson Park: Thomas G Crowder Woodland Center

Meteor Watch

Enjoy a late night out watching the Quadrantids meteor shower on its peak night. We will also enjoy a campfire with s'mores. \$3

#248829 Jan 3 F 7 - 10pm

Reduce, Reuse, Recycle

Learn how to reduce, reuse, and recycle and enjoy some arts and crafts with recycled materials. \$3

#248629 Jan 25 Sa 10 - 11:30am

Guided Nature Hike

Ages 4+. Join us for a 2-mile hike on the beautiful trails of Lake Johnson Park. A knowledgeable nature instructor will accompany you on each hike to discuss natural features and Lake Johnson's history. The hikes will be held on our unpaved trails that may not be suitable for children under the age of 7. Parts of the trail are considered moderate/strenuous. Participants should dress for the weather in comfortable clothing and closed-toe shoes that can get messy. \$2

#248575 Mar 14 Sa 10am - 12pm

Shell-eberating Turtles

Ever wonder what makes turtles so unique? We will learn about the different types of turtles, what makes each so special, and what you can do if you find one in the wild. You will even get an up close and personal look at Lake Johnson Park's very own box turtle! \$4

#248577 Mar 29 Sa 1 - 3pm

Earth Day Adventure

Celebrate mother nature this Earth Day at Lake Johnson Park. Make a seed ball and enjoy a game while learning about how you can help our planet! \$3

#248588 Apr 22 W 6 - 7:30pm

Adult(s) must accompany child(ren), register, and pay program fee. Advance registration required for all programs. All ages welcome (unless noted otherwise), but most appropriate for children elementary school age. Register online today at reclink.raleighnc.gov using barcode listed with program.

Lake Johnson Park Nature Explorers

Flip over logs, dig a hole, or sift through leaves with one of our naturalists. Participants will immerse themselves in nature and learn about the interesting things they find. \$2

Sundays 2 - 3pm

#248626 Jan 12

#248627 Feb 9

#248628 Mar 8

Pint-Sized Planters

What do plants need to survive? Why are plants important? In this sprint time program we will explore the needs of plants, make our very own seed starters and become little scientists as we take a closer look at pollinators! \$4

#248578 Mar 21 Sa 9 - 11am

Nocturnal Nature

Watch as the park comes alive when the sun slips behind the trees. Please join us on this night hike to unveil the nocturnal wildlife of Lake Johnson Park. We will call for owls, look for evidence of mammals, and identify singing amphibians. Participants should dress for the weather in comfortable clothing and closed-toe shoes that can get messy. \$4

#248587 Apr 4 Sa 8 - 10pm

Tree-mendous Trees

Come join us for this tree-mendous program where you'll get to learn all about trees. We will learn what makes trees so unique, how we use them in our everyday lives, and even how to identify some of our common trees that can be found in your backyard! \$4

#248586 Apr 25 Sa 1 - 3pm
