

ACTIVE ADULT PROGRAM

Golden Years Club Open House

Worthdale Golden Years Club Open House
Tuesday, April 22, 2025, at 10 a.m.-12 p.m.

Join us for the exciting launch of our new Golden Years Club! The Active Adult Program invites residents aged 50 and above to be part of tailoring this social club featuring games, cards, speakers, meals, and trips. Contribute to the club's early development of the club, share your ideas, fostering community bonds and friendships. Bring your friends for a fantastic time of camaraderie, sponsored by Oak Street Health, offering BINGO with prizes and refreshing refreshments!

Eager to play a more active role? Consider becoming an officer for the club—positions like President, Vice President, Secretary, Treasurer, and more are available. No experience required; our dedicated staff offers ongoing assistance. Embrace this opportunity to shape the future of our vibrant community!
