Adopt-A-Shelter Program Overview

Get Involved

Adopt-A-Shelter is a program that helps businesses, individuals, community organizations and schools make a real difference in their neighborhoods by "adopting" local bus shelters.

The City of Raleigh's Transit Program maintains more than 200 shelters in the Raleigh area. An adopter, whether it's an individual or a group, assists by removing trash in and around the shelter area on a monthly basis. You also assist by alerting Transit Staff to special maintenance needs and reporting vandalism or suspicious activity. In short, by adopting a shelter you are helping keep your community safe and clean.

When you or your group adopts a shelter, we'll make sure you receive the recognition you deserve by placing a decal with the adopter's name on the shelter.

How to Adopt-A-Shelter?

Fill out the attached agreement form with the requested shelter location your organization would like to adopt. Return the agreement form by [e-mail](#).

Once Transit Staff has received your completed form, we will provide you with trash bags, disposable gloves, and safety vests so you may begin trash removal at your adopted shelter.
