## **Letter of Final Utility Infrastructure Acceptance**

To whom it may concern,

This is to advise you that an inspection has been made for the attached public utility infrastructure for (<SPR CASE NUMBER>) and the work was found to be completed in accordance with the construction plans prepared by <ENGINEERING FIRM> and approved on <PLAN APPROVAL DATE>, by the City of Raleigh Public Utilities Department. The construction was found to be compliant with the appropriate City of Raleigh standards and specifications as contained in the City of Raleigh Public Utilities Handbook and Standard Details and is now accepted, with the exception of the surface appurtenances such as water valve boxes/lids and manhole rings/covers, by the City of Raleigh for continuous maintenance. The surface appurtenances shall remain the developer's responsibility and shall be eligible for final acceptance concurrent with the final acceptance of the right-of-way infrastructure.

Sincerely,
