

# No Carbon, No Cost, ~~No Safe Place~~:

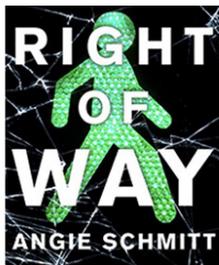

## *The Raleigh Walking and Biking Summit*

1-4 p.m., Friday, October 15

**Celebrate Walktober and jump into action to create a safer, low-carbon future where healthy, human-powered ways of getting around are prioritized!**

With speakers Angie Schmitt, author of “Right of Way: Race, Class, and the Silent Epidemic of Pedestrian Deaths in America” and Nick Neptune from Oaks and Spokes!

The event will include a look at New Bern Avenue but consider solutions that apply citywide and beyond. It includes two main parts:

### **1-2 p.m. LEARN**

Updates of the state of pedestrian safety in Raleigh, equity considerations, and bold strategies.

### **2:15-4 p.m. ACT**

Advance your ideas in a group discussion, then determine a plan of action.

Planning and Development
